**RESPONDENT'S PROFFER ON AWARD OF COMPENSATION**

On January 2, 2019, Cecilia de Leon (“petitioner”) filed a petition under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”). Petitioner alleged that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) as a result of a tetanus, diphtheria, and acellular pertussis (“Tdap”) vaccine administered on January 20, 2016. Petition at 1.

On January 6, 2020, respondent filed his Rule 4(c) Report, recommending that entitlement to compensation be denied and that the petition be dismissed because petitioner's onset of left shoulder pain was not clearly within 48 hours of vaccination. ECF No. 29. On March 30, 2021, the Chief Special Master ordered petitioner to file a motion for a fact ruling. ECF No. 35. On June 28, 2021, petitioner filed a motion for a ruling on the record. ECF No. 37. Respondent filed a response on July 28, 2021. ECF No. 38. On June 30, 2022, the Chief Special Master found "that Petitioner's left shoulder pain likely began within the 48-hour timeframe for the Table claim." Findings of Fact, ECF No. 39 at 2, 9.

On August 29, 2022, respondent filed an Amended Vaccine Rule 4(c) Report advising that, in light of Chief Special Master Corcoran's factual finding that the onset of symptoms took place within 48 hours is the law of the case and the medical evidence submitted in this case, respondent did not dispute that petitioner had satisfied all legal prerequisites for compensation under the Vaccine Act. ECF No. 42 at 2, 7-8. The same day, Chief Special Master Corcoran entered a Ruling on Entitlement, finding petitioner entitled to Vaccine Act compensation for her Table SIRVA injury. ECF No. 44. Respondent now proffers that petitioner receive an award as follows:

**I. Items of Compensation**

A. Pain and Suffering

Respondent now proffers that, based on the Chief Special Master's entitlement decision and the evidence of record, Cecilia de Leon should be awarded \$81,500.00 in actual pain and suffering. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses to Petitioner and Avant Surgery Center, LLC

Evidence supplied by petitioner documents outstanding charges for services provided by Avant Surgery Center, LLC related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$28,482.60 for services provided by Avant Surgery Center, LLC. Petitioner agrees.

C. Past Unreimbursable Expenses to Petitioner and Dacoma Anesthesia

Evidence supplied by petitioner documents outstanding charges for services provided by Dacoma Anesthesia related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$4,118.00 for services provided by Dacoma Anesthesia. Petitioner agrees.

D. Past Unreimbursable Expenses to Petitioner and Magna Surgery Center

Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$25,317.87 for services provided by Magna Surgery Center. Petitioner agrees.

E. Past Unreimbursable Expenses to Petitioner and Veritas Pain Management

**II. Form of the Award**

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to Cecilia de Leon should be made through lump sum payments as described below and requests that the Chief Special Master's decision and the Court's judgment award the following<sup>2</sup>:

A. A lump sum payment of \$81,500.00, representing compensation for pain and suffering, in the form of a check payable to petitioner, Cecilia de Leon.

---

<sup>1</sup> The parties have no objection to the amount of the proffered award of damages. Assuming the Chief Special Master issues a damages decision in conformity with this proffer, the parties waive their right to seek review of such damages decision. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(e), to seek review of the Chief Special Master's August 29, 2022 entitlement ruling and underlying factual findings issued on June 30, 2022.

<sup>2</sup> Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future pain and suffering, and future lost wages.

B. A lump sum payment of \$28,482.60, representing compensation for unreimbursable medical expenses for services provided by Avant Surgery Center, LLC, in the form of a check jointly payable to petitioner, Cecilia de Leon, and Avant Surgery Center, LLC.
